

Attention 4th, 5th and 6th Grade

ALL 4th, 5th and 6th grade will be playing recorder in general music class this year, *even if* you are participating in band or strings.

As part of Fairfax County's Music Program of Studies, students are required to play the recorder. This allows students to demonstrate mastery of musical concepts such as reading, writing, and performing music. In order to make the best use of class time and assess students accurately, students need to have their recorder in class to receive full weekly credit.

If you already own a recorder, please bring it to school by Monday, September 24th and they will be stored in the music room. If you need to purchase a recorder, please fill out the form below and return by the deadline or pay online with My School Bucks (MSB).

New: Parents may now pay for field trips and other school essentials via My School Bucks (MSB) which is used by many parents to buy school lunches. Here is the process for enrollment:

1. Go to www.MySchoolBucks.com or to the MySchoolBucks link located on your school's homepage to establish an account.
2. Add your child using the name of the school they are attending, and either their student ID or birthdate.
3. You will receive a confirmation email that your account has been established.
4. Make purchases with your credit/debit card or electronic checks.
5. There are NO convenience FEES for using the online payment system.

NOTE:

Fairfax County Public Schools (FCPS) utilize a third party check collection service, Checkredi Payment Services, to reduce the administrative burden placed on school personnel in managing returned checks. A returned check fee will be charged to the check writer in addition to the face value of the check. The Commonwealth of Virginia allows a returned check fee of up to \$50.
